

Viney Hill Christian Adventure Centre

Child Protection Policy

Leaders of the groups using Viney Hill have the responsibility to ensure that adequate child protection policy is in place for their group.

You are responsible for any child protection issues within your group.

Please be aware that at times there will be two groups on site, although measures are in place to avoid the groups mixing.

You are responsible for the behaviour and safety of your young people at all times.

As a Centre, we will provide as safe an environment as we can for your young people. However, you have a duty of care for the young people you bring and must take full responsibility for them and their actions whilst they are on site.

It is required that the main leaders of your group will have a current Enhanced Disclosure Form through the Criminal Record Bureau. This disclosure will not be older than 3 years. We will need to see a copy of this. We would expect assistant leaders to have a standard disclosure, which we will also need to see.

When bringing a mixed group there must be male and female leaders present at all times.
